RAINY DAY PROCEDURES

On rainy mornings, students from Pre K through 2nd Grade will wait for their teacher inside the Cafeteria. Grades 3 through 5 will wait in an orderly manner in the cafeteria. At the 8:20, the teachers will pick up the students.

If at dismissal, the weather becomes a danger to the child, the school will not dismiss children until the situation clears. A RED FLAG on a cone indicating Rainy Day Procedures will be placed at both dismissal areas. This will let the parent know that they must park and enter the building to pick up his/her child in their respective classrooms.

Bus Transported Children

Children who ride the school buses will be dismissed on time to catch their bus. In the rainy season, rain gear is recommended for children who must walk out to the bus.

Your patience and cooperation is always appreciated.

P.S. Rain gear is recommended for all children.
